## SECTION F: NEEDS ANALYSIS

The Dental Gap product meets my needs as it offers a cost effective solution to fund my day-to-day dental care needs by paying a stated amount for day-to-day, emergency, accidental and illness related dental treatments. I understand the events that are covered by this product, the pre-existing conditions and waiting periods that applies and the policy exclusions. Cover for this benefit ends on the day an insured person reaches age 65 or in the case of a child when the child turns 21 except if the child is physically or mentally handicapped and dependant on the parents for financial support.

I understand that there are other similar products on the market but the intermediary regards this Dental Gap Cover product as the most suitable product for me. Alternatively, the intermediary does not represent any other Dental shortfall product supplier. I confirm that a full needs analysis was done and that the monthly premium is affordable taking into account my other financial commitments.
